[Intro]

\*Jesus loves me, yes I know\*

Our Father, who art in heaven  
hallowed be thy Name, thy kingdom come,  
thy will be done,

\*For the Bible tells me so\*

on earth as it is in heaven.  
Give us this day our daily bread

And forgive us our trespasses,

\*Jesus loves me, Yes I know\*

as we forgive those who trespass against us.

\*Jesus loves me\*

And lead us not into temptation, but deliver us from  
evil.

\*Jesus loves me\*

For thine is the kingdom, and the power, and the glory,  
for ever and ever. Amen.

[Verse 1]

Jesus loves me, he told me so. That's why when it gets  
ugly

He hugs me, cause he knows me, yo.

Ya gotta let go and let God, sometimes from the get go  
ya go hard

It's like, the darker it gets, the brighter my light will  
shine

So regardless I'm lovin this life of mine

And with the Lord by my side, it don't matter what the  
call of life

Cause let me in, cause I was going for the ride

Aint blind, aint gotta sin to believe it

I just know you gave me the word and that I really need  
it

So I pray for my enemies, I pray for family, my friends,  
my loved ones and those who pretend to be

Sacrifice your son just to give me a chance

So I thank you for the plan, I thank you for your hand  
shepherd, watching over your flock of sheep

But I'm good, cause you watchin' the dark when I sleep

[Chorus]

Jesus loves me, yes I know

For the Bible tells me so (and I believe it in my soul)  
Jesus loves me, yes I know (Oh yeah)  
For the Bible tells me so (and I believe it in my soul)

[Verse 2]

Speaking of the word, it's sad that not all get it

But by the grace of God, I was born with it, come on get it

Jesus loved me from the beginning, that's why sometimes

Even though it looks like I'm losing, I'm still winning  
But I aint never been blind, never gonna sign,  
Never been one to let the Devil know what's on my mind  
Cause he wants to destroy ya, but the Lord will resurrect ya

If ya hug the little boy, then the man will protect ya  
From the dark to the light, right to the wrong  
I'm gonna stay up in this fight, from the night til the morn

Well as I'm in the grace of God, my heart will stay true  
And I'm gonna do whatever the heart will say do with it

When things go wrong, Jesus loves me  
I'm singing this song because Jesus loves me  
I'm gonna be strong cause Jesus loves me  
Jesus loves me, yes, Jesus loves me

[Chorus]

Jesus loves me, yes I know  
For the Bible tells me so (and I believe it in my soul)  
Jesus loves me, yes I know (Oh yeah)  
For the Bible tells me so (and I believe it in my soul)

[Hook]

Now clap your hands with me (uh huh, uh huh)  
And stomp your feet with me (come on, come on)  
And bob your head with me (uh huh, uh huh)  
Yeah, yeah, yeah, yeah  
Not because my momma told me (NO)  
Not because my daddy told me (NO)  
Not because my preacher showed me (NO)  
Gotta feel it in my soul!  
Not because my homeys told me (NO)  
Not because my teacher taught me (NO)  
Not because my pastor showed me (NO)  
Gotta feel it in my soul! (I feel it in my soul!)
