*[Intro:]*

Yeah..Uh

In the name of Jesus

(thats right)

No weapon formed against me shall prosper

(preach)

And every tongue that shall rise against me in  
judgment thou shalt condemn

(preach)

(Lord give me a sign)

For this is the heritage of the servants of the Lord  
(preach)

and their righteousness is of me, saith the Lord.

(preach)

Amen

*[Verse 1]*

Lord Give me a Sign!

I really need to talk to you Lord

Since the last time we talked the work has been hard

Now I know you haven't left me

But I feel like I'm alone

I'm a big boy now but I'm still not grown

And I'm still going through it

Pain and the hurt

Soaking up trouble like rain in the dirt

And I know!

Only I can stop the rain

Wit just the mention of my saviors name

IN THE NAME OF JESUS!

Devil I rebuke you for what I go through

And trying make me do what I used to

But all that stops right here

As long as the Lords in my life I will have no fear

I will know no pain from the light to the dark

I will show no shame spit it right from the heart

Cause its right from the start

But you held me down

And ain't nothing they can tell me now

Lord give me a sign!

*[Hook:]*

Let me know whats on your mind  
Let me know what I'm gone find  
Its all the time  
Show me how to teach the mind  
Show me how to reach the blind  
Lord give me a sign!

Show me what I gots to do  
To bring me closer to you  
Cause I'm gonna go through  
What ever you want me to  
Just let me know what to do  
Lord give me a sign!

*[Verse 2:]*

Please show me something  
I'm tired of talking to him  
Knowing he fronting  
Crying bout life ain't nothing  
But you either be the one mad cause you trapped, or  
the one hunting  
Trapped in your own mind waiting on the Lord  
Or hunting wit the word that cuts like a sword  
The spoken word is stronger than the strongest man  
Carries the whole world like the strongest hand  
Through the trials and tribulations you never let us  
down  
JESUS!  
I know your here with us now  
JESUS!  
I know your still wit us now  
Keep it real wit us now  
I wanna feel show me how  
Let me take your hand, guide me  
Ill walk slow but stay right beside me  
Devil's tryna find me  
Hide me, hold up I take that back  
Protect me and give me the strength to fight back!

*[Hook:]*

Let me know whats on your mind  
Let me know what I'm gone find  
Its all the time  
Show me how to teach the mind  
Show me how to reach the blind  
Lord give me a sign!

Show me what I gots to do  
To bring me closer to you  
Cause I'm gonna go through  
What ever you want me to

Just let me know what to do  
Lord give me a sign!

*[Verse 3:]*

Life or death  
Live or die  
I will never live a lie  
I'm going there cause I try  
I wont quit until I die  
I'm gone make it wrong or right  
Make it through the darkest night  
When the morning comes you'll see  
All I have is God in me  
(Lord give me a sign!)

*[Outro:]*

No weapon formed against me shall prosper  
For this is the heritage of the servants of the Lord  
In the name of Jesus  
Lord give me a sign  
Amen
