By Any Means- Mashonda

Oooh ahhhh oohhh ahhhhhhhhhhhhhhhhhhhhhhhhhhhhhh

chorus : By any means I'm gonna find ya when i get ya I  
ma tell ya that theres no way that you will ever leave my  
lovin is the best you must confess I'm bout to squeeze  
your body make you feel so many ways you never felt I  
will never tease By any means ooh please

Its only been a weekend I'm missin you so crazily and i  
told you i did not want you to leave and you tellin me  
you gotta hit the streets 'cause your papers runnin' low  
and you gotta go i'm screamin 'cause i'm scared of the  
fire blow but theres somethin you really gotta know by  
any means im gonna get you back soooooo

chorus

You callin me from the payphone sayin itz bout 10 n itz  
from home ,Im happy 'cause itz been so dammm long  
and im tired of singing these sad songs 20 minutes  
passed n u aint here i strat hearin sirens in my ears ,  
They got you n i dont understand it , lma hold you  
down thats for granted

Wyclef :

Me wanna to see Lightas lightas

Me want to see some lightas lightas

Me wanna to see lightas lightas

Who sent you how much they pay you memme tell you i  
got guns the size of torpidos and sound like volcanoes  
if u want you can be a widow i suggest you jump out the  
window. (Repeat 2x)
