This Mother fuckers coming always at us in the Hood
we give a kick and he fly under in this shit he 's dad call
my family and he said :when he over again what make
agrees he what in your face
but i have not fear for this mothafucka my gang stay
back me this motherfucka ought to comming we fuck in
he's face My hood is my Life My Niggaz Life here we
coax all people in the hood to respect me elseat the
moment to walk gang wars among the 2 gangs he have
problem with me and my friends these fuck off from
here the Bltches
