Just 'cause I love my niggas  
(Ruff Ryders)  
I shed blood for my niggas  
(Ryde or die)  
Let a nigga holla, "Where my niggas?"  
(Get down or lay down)  
All I wanna hear is, "Right here my nigga"  
(We here nigga)

You won't take this from me baby  
You will not take this from me baby  
You know

My niggas, some niggas that you don't wanna try  
My niggas, some niggas that's really do or die  
My niggas will have you cowards ready to cry  
My niggas will fry, my niggas will rob

My niggas keep niggas on they fuckin' job  
My niggas know what it's like when shit gettin' hard  
My niggas stay pullin' you other niggas cards  
My niggas it's God, my niggas we'll shine

My niggas, just knew it was a matter of time  
My niggas, let me know to keep fuckin' with the rhymes  
My niggas ain't no longer livin' with crime  
My niggas is fine, my niggas is good

My niggas keep you niggas knocking on wood  
My niggas know how to take it back to the hood  
My niggas will put you down right where you stood  
My niggas they could, my niggas they will

My niggas take you straight to the back & get ill  
My niggas give it straight to the bank when we kill  
My niggas put niggas on ice till they chill  
My niggas is still, my niggas is dogs, my niggas
