Sheek]

Yo, ayo let's get papers and pop Mo' with holes up in
skyscrapers

In condominiums, overlooking our drug capers

New York City, know only way to play is gritty

I want cheddar, so we can front up in the 850

My whole commity like to puff L's and look jiggy

Who wan' test this? My semi leave you chestless

And ain't shit that you can say to me when you be
breathless

Young, but I done did shit that you won't do

So go ahead wit the bullshit you blab about goin
through

I got niggaz who pump on yo' block and in yo' spot

Who sit next to you? Protectin you?

But they'll murder you, playa

Don status, nigga we gettin chipsesis

And bad bitchsesis, frontin, frontin in eclipsesis

[Mase]

Ayo, Mase and The Lox

We takin knots from the out of state spots

Any nigga make it hot, get found in vacant lot

You don't really wanna come try, the one guy

Who stay dumb high from blunt lye

The rack of sing-sing alumni

Who got more beef than a Islamic farm

So I pack enough sonic arms to neutralize atomic
bombs

It's not a nigga in your gang want it

My AK slay gays, spray strays wit niggaz names on it

Often I bug, then we'll soften a thug

Have a chump coughin blood, fill his coffin with slugs

Yo, you know I got enough guns to wreck a nation

Any nigga wave a Tec at Mase, and, have a explanation

You bring your crew and em and I'm doin em

Then I'm beatin em down with aluminum

Then I'm puttin two in em

You can't touch me, I've been double sent, wanted for
embezzlement

A lot of other things, but that's irrelavent

Chorus(x2):

[Styles]

If you love the money, then prepare to die for it

[DMX]

Niggaz done started somethin
