"No Love"

Visit "[No Love](#)" on MotoLyrics.com

[Intro]

This is music
This is my heart
I mean, I can't even explain it
This is music and I love music

[Hook x2]

If I can't fuck with you for real, I can't fuck with you at
all,
and that means y'all
When you get caught up, don't even call
Don't worry 'bout me 'cause I'm gon' ball

[Verse]

Cats say they ridin' but half-way through it they be like,
"I'm not gon' be able to do it!"
Just last week, wasn't really nothing to it
Cats talked shit, it's sad, I knew it
You know what it is, the same,
all the rappin, it's like,
Watchin' a movie knowin' what's gon' happen
Check it, you do you I'll do me
Dog gon' be alright you'll see
Been down this road before, I'm sure
This is a battlefield and I'm built for war
Ain't nothin' new to a OG
Bullshit, troubles, hard times, they all know me
Been there, the dickriders, the insiders
The ones that we let get in right beside us
Keep your friends close, enemies closer
Well I got it, I'll put 'em all in one pocket

[Hook x2]

If I can't fuck with you for real, I can't fuck with you at
all,
and that means y'all
When you get caught up, don't even call
Don't worry 'bout me 'cause I'm gon' ball

[Verse]

I wish I could believe you, I wanna count on you
Never gotta worry 'bout me runnin' out on you

After thinkin' about it,I see what it was for
It took the snake to make me trust more
I trust you to stab me in the back
Trust you to start runnin' your mouth,
Soon as I walk out
Trust you to steal from me and lie to me
Actin' like we love each other,why do we
Everything about you is crooked,look at ya
Fed a nigga some bullshit,I took it
That's what I get,I'm old-school,
Fuckin' with a hybrid,most of you talk about,
"Try this"
Fool me once,shame on you
Fool me twice,you did what you supposed to do
Ain't never even thought about biting the hand that
feeds me,
But y'all motherfuckers is greedy

[Hook x2]

If I can't fuck with you for real,I can't fuck with you at
all,
and that means y'all
When you get caught up,don't even call
Don't worry 'bout me 'cause I'm gon' ball
