Chorus:

Ain't no other cats got love for me
Ain't no cats gon bust slugs with me
Ain't no cats gon shed blood for me
But my dog is gon be a thug wit' me (2x)

(DMX)

If i'm gonna rob, i'ma rob all night
If i'm lookin' for something it's probably a fight
If i'm gonna fuck bitches then it betta be tight
If that's dead then the head betta be right
If i gotz to play i'ma play till i win
Since i gotz to be here can't wait to begin
Wanna fuck shorty can't stand shorty friend
Cause honey friend fucked many many men
Stay with da ratz cause the ratz is real
Wanna fuck then we fuck already know the deal
Fuck what you look like just show the real
Then i keep a spot where we can goto chill

Chorus

(Drag-On)

You fuckin' wit' me? Ain't keepin' your health
right
Cause me and my boys we keep the gel tight
Shit i pack is heavy but the shell is light
When they drop the same time you drop without a fight
Burnin' anything that i'm putting my name on
You might take the Drag but you can't flame on
I know you niggaz don't owe me wit' a chain on
When it come to the fire i'm the kid to blame it on
When y'all see like eight cars then you know who we
are
Niggaz spittin mean bars off of the green jar
Never drunk but you see me leant at the bar
Spit fire that'll melt the ice on your arm
You had dat but for now dog gimmie dat
Cuz dog, you don't wanna see how my semi act
Fake hustlin niggaz you pump many pac
When it come to dis shit, i done layed plenty flat

Chorus

(DMX)

What ya'll niggaz want cuz i got it righ here
Ya'll niggaz front, then I hit you right dere
Not really impressed by what niggaz wear
Faggots talk shit but i really don't care
I'm the type of nigga that will die for the cause
Fuck what you heard i will die for my dogz
Ain't sacare of shit we'll ride in the fog
Same thing but a bigger size than yours
I fuck with Drag-On cause he spitz the flame
Drag-On mothafucka don't forget the name
And we are takin' over ain't shit the same
If you ain't in our mob, nigga quit the game
Ain't no other cats got love for me
Ain't no other cats gon bust slugs with me
Ain't no other cats gon shed blood for me
But my dogz gonna be a thug with me
come on (5x)
