{Yo, yo, yo, alright, alright, alright
Get the fuck over here
Don't you know X, yo?
Fuck you
I know, I know you from somewhere
Get the fuck outta here with that X shit
You got X on you, yo
Give me this
Yeah okay, you can have my jacket
You can have it
Alright, alright, you can have my jacket
Yo give me the watch, motherfucker
Alright, don't take my watch from me, yo, yo
That was a present to me, yo
Shut the fuck up
Okay yo,yo, alright, alright, alright, you can have
everything
Give me the boots
I'm take my boots off
I'm take everything off, alright?
Okay, what's my name?
What's my name?
Okay, don't you know Ruff Rydas?
Ain't you Ruff Rydas?
No
Alright okay
Fuck it!
I'm fuck you up
Okay please, please, please
And I fucked your bitch
What?}
