Shit don't change, shit say the same
Shit don't change,... shit say the same
I'm doing my thang

[Dmx]

I come through, grab a nigga
Body bag a nigga... toe tag a nigga
They wasn't born in it, they was sworn in it
I roll with the wolf... go and hit it
That's what we do, and leave... leave you see through
... peep through, yeah you laying up in a box
Looking like it's... it was the man on the block
... know that's what the raps will do
Wanna be gangstar... maggot fool
... kill him with a lie... you wanna do, get a nigga high
I see it in your eyes, it ain't nothing real about you
You's a fraud, just how I feel about you
Look y'all... rise up,...

Shit don't change, shit say the same
Shit don't change,... shit say the same
I'm doing my thang
Shit don't change, shit say the same
Shit don't change,... shit say the same
I'm doing my thang

When the dog get hungry, dog gonna eat
Gonna stuff my plate right under a nigga feet
And them lions... get teared in the street
Come through like brat..
Stay with the heat, cook nigga shit
... nothing but crook niggas
You off the hook nigga, everybody...
Everybody... my niggas freh
... fake niggas, snake niggas... I hate niggas...
I get 5,
Fuck with the... baby, go hard
Beast in the streets, beast in the yard
Ant ain't never been nothing, pulling niggas cards
... wanna know...

Shit don't change, shit say the same
Shit don't change,... shit say the same
I'm doing my thang
Shit don't change, shit say the same
Shit don't change,... shit say the same
I'm doing my thang x 3
