Doing me like you do, cause I know it's what you do
[x5]

[Hook]

Never been a sucker for love
So if it come down to you and me you know
I don't give a fuck, hit the next bitch like wassup
Cause at the end of the day
You ain't never been nothing but a nut
I ain't never been a sucker for love
So if it come down to you and me you know
I don't give a fuck, hit the next bitch like wassup
Cause at the end of the day
You ain't never been nothing but a nut

[Verse 1]

Listen boo, you's a bitch, you been a bitch
You know how niggas do
Run up in a bitch, fuck her well
And the bitch will call them bitches
But then in a week or 2, fucking all them bitches
A nigga gotta fall back and take a breather
Shawty suck a mean dick but in the morning
Gotta leave her, wasn't trying to deceive her

Cute as a motherfucker and she got a big butt
Now I'm like, what do I do from here
Cause she's acting like she ain't trying go nowhere
Ain't really trying to get attached to this bitch
Shit it's friday, I just want some ass in the bitch

It was summer time, I was in the slumps
Seen that bitch from a far, I was like wassup
Remember me? I was that kid
It was you, her and me, we just did what we did
How you expect me to respect you
When I know a police file of other niggas that you gave
your sex to
I ain't never been a sucker so if you think so
You got the wrong motherfucker
What's my name? ah ah, bitch! what's my name?
You know who the fuck it is
I'm a real nigga, that's gonna handle his

Look here, you know what I'm trying to creep with
Ok, come on, cars outside, hotels up the block
Jump in the ride, you and me for the rest of the night
It's all good, click, turn off the lights
Pack it off like that girl, ooh, damn, that ass fat girl
