Where our money go, right out the window  
Even if its RocknRoll or LocknLoad  
Shut em down, open up shop (OH NO!)

Where you goin dog?  
Upside your fuckin head in a minute  
First you pick the dude, stick n move  
Quick n smooth, real simple STICK TO THE RULES!  
Why you gotta make shit complicated  
I hate it, ya keep a nigga aggravated  
They waited long enuff i let the hungry eat
