Yeah, it is what it is
Yah'mean, we untouchable baby

I keep my song in my soul
Blessed my heart and made it go
Tops of our heads to tips of our toes
We're untouchable
Everyday the sun'll shine
Took this dream and made it mine
I'm gettin' down one thing that I know
We're untouchable

We built this Double R thing from the ground up
Another principle of when it's beef, niggaz round up
Gettin' down like what nigga, yo
That's all it takes and it's like, here we go
Thorough type niggaz that control the streets
Rollin' deep, holdin' heat, don't even think about sleep
When we creep, niggaz goin' down for the count
It ain't sweet, fuck around and knock money out

C'mon fella, you don't want the dog with the camp
Not Old Yeller, a pit bull and dog is the champ
You know better, think about crossin' the line
Hit your sweater, with about ten from the 9
Double R and we get down for life
Let a nigga know we can go down tonight
From the tops of our heads, the tips of our toes
We untouchable, yea

I keep my song in my soul
Blessed my heart and made it go
Tops of our heads to tips of our toes
We're untouchable
Everyday the sun'll shine
Took this dream and made it mine
I'm gettin' down one thing that I know
We're untouchable

I represent the have and the have nots
All the niggaz with the weed spots
And all my niggaz on them cell blocks

We gon' R U double F R Y D E, you can't fuck with my
army
My niggaz is untouchable, eatin' niggaz like lunchable
45 be crushin' you when the bullets be touchin' you
Paul bearers'll carry you
To the cemetery where your Momma gon' bury you

Black suit be fittin' you nigga, I got hood degrees
Plus I'm street like powder, milk, and government
cheese
If you a runnin' man nigga, then I'ma shoot up your
knees
Then it's me against the world, man against machine
S.D.T.S., stick to my routine
My knuckle game impeccable, crack game incredible
Lawyers for my niggaz who be sittin' in the Federal
Nigga, I'm untouchable

I keep my song in my soul
Blessed my heart and made it go
Tops of our heads to tips of our toes
We're untouchable
Everyday the sun'll shine
Took this dream and made it mine
I'm gettin' down one thing that I know
We're untouchable

All I know is 365 days of pain, my name, how to sell
cocaine
And I was taught to buy guns so big when I go to the
roof
I can aim and shoot down a plane, Infa-Red's my name
but fuck all that
Fall back and witness how the streets
Made me the grimeiest nigga alive
I sell you a fake pie, shoot out your fake eye
Give niggaz a break, nah, I gotta chase mine
Don't wear your watch around me nigga I take time

Like niggaz that them blue tried to like
I turn men to mice, canary yellow my ice
And Ruff Ryde on anybody, to be precise
But I handle my business like I'm supposed to
When you go in the precinct, that's the only time you
see my poster
But I could post up and get rid of my pieces
I own collies sellin' rocks the size of Domino pizzas
I'm untouchable, nigga

I keep my song in my soul
Blessed my heart and made it go

Tops of our heads to tips of our toes
We're untouchable
Everyday the sun'll shine
Took this dream and made it mine
I'm gettin' down one thing that I know
We're untouchable

U N T O U C H A B L E S

Sheek the new Elliott Ness
Nigga, Bloodline, D Block, two of the best
Hang the Double R chain from the side of the car
Drive by and put your brains on the side of the bar
Sheek heavy in the hood
And I don't mean 'cause I gained weight in the hood
My aim is good, aiyyo X what they want it to be here?

Our hammer's cocked, outside of the house on the
lawn chair
Yeah nigga what? The new rap Le Bron's here
Get 'em dog, we the new America's nightmare
And we don't say much, we just get it on
That's why we don't get touched, y'all like a Dutch
Hands all on you, I'm tryna warn you
To stay in your place, so you don't get laced
And them pretty ass shades, can stay on your face

I keep my song in my soul
Blessed my heart and made it go
Tops of our heads to tips of our toes
We're untouchable
Everyday the sun'll shine
Took this dream and made it mine
I'm gettin' down one thing that I know
We're untouchable

You motherfuckers got me back on my grizzly, I'm back
on the grind
I'm back to the streets, catch a beef, come back with
the nine
I'll murder ya man, come back with his shines
I tote two guns, I don't care if you box, I don't care if
you blind
I spit in your eye like niggaz is eatin', I'm splittin' the
pies
Frank Nitty your rap, how gritty am I? The city is mine
Yeah, you get in my way I pity your Moms
Yeah, my block is real, my niggaz is armed

My borough is thorough, we bang with each other
I'm switchin' my diamonds and changin' the color
With change of weather, canary in the sun

I bury ya nigga then bury the gun, X whattup?
Me and you is untouchable, we both had bricks
They couldn't sniff 'cause the coke was uncrushable
Guns is fingerprint-proof, we Ryde or Die
You drivin by, we clap at your ride, goodbye

I keep my song in my soul
Blessed my heart and made it go
Tops of our heads to tips of our toes
We're untouchable
Everyday the sun'll shine
Took this dream and made it mine
I'm gettin' down one thing that I know
We're untouchable
