I'm treated like the Presidential motorcade
takin' out the residential global persperation
freaky gyrations close to fornication
Numbers get passed when asked information
intoxication faded inebriated
Designated driver liver than MacGyver
blockin' freaks in all of 'em tens
stallions get them to pile in
Sittin' on 'Lacs bitch we write raps
Backdo' access you gettin' jealous
standin' all in line with designer umbrellas
Bad fellas runnin' with the Eastside Connection
any kind of club with a star check they weapons
Who wanna sex DMX get naked
fuckin' to security show us the exit

Chorus:

Heavy hitters countin' figures
We be Clubbin'
Mixin' blunts and heavy liquors
We be Clubbin'
For all my live ass niggas
We be clubbin'
Fuckin' all them gold diggers

We be clubbin'

Kent: DMX Ruff Riders

DMX:

Witness what's unheard of cold blooded murder

this hot shit'll have you smellin' like a fuckin' ??

and the shell from the twelve is all it takes

to make a nigga spin like twice & then fall

you call for help

but ain't none comin'

The avmen slaughtered the robbery & gun runnin'

and when I'm done gunnin' we all gon' meet up at the club
