[Intro]

What?

Where my dogs at?

Where my dogs at?

Where my dogs at?

Where my dogs at?

[Verse]

You can try but ? fight, just can't seem to do right

Can't run with the big dogs, his jeans is too tight

Been doing this for too long, plus dog is too strong

Let you ? fight me off the map with a new song

You know ?

Yeah a nigga went there, all you do is sit there

I've been rapping for 20 years and you 20 years old

? block ? if you go bold

There's a new sheriff in town, just been re-elected

You ain't gonna like it, but respect, nigga check it

I'mma get it in ? with the dividends

We gon' walk these dogs 'til the bitter end

You like, ?

Pussy, I knew that's how you smelled

But you cats still playing around with just beats

Talking about what you got, ?

You can put on a vest, but I'mma still stop it

Cause I got a chopper that sound like a helicopter

And niggas really don't want me to pop the trunk

? drop a slump ?

?

? here to here, looking like spaghetti

Pull out the machete, ?

Bag up the pieces, ?

Jump in the Benz, five cars deep

4 o'clock in the morning, riders still asleep

Shut shit down whenever we hit town

Give a nigga ??pass??? get down

Bring out the best, bring out the worst

You gon' bring out the worst, we bring out the hearse

Niggas play poker, I play poker

Hit 'em from ear to ear, make you smile like a joker
