Throw your dough in the sky
Twisted dope, lets get high
Hit the switch in the ride, front to back, side to side

Who gonna get drunk tonight
Who wanna come tonight?
Its going down inside
Who in da club tonight?
(x2)

Ya'll lookin for names, but I'm lookin for beats
Ya'll lookin for fame, I'm livin the streets
Ya'll talk the talk, but I walk the walk
School street, home of the brave, NEW YORK!
Ya'll make movies, but I make moves
I'm straight up, ya'll got somethin to prove
Ya'll niggaz duck, but I swing back
Ya'll niggaz run, but I bring back
Ya'll niggaz whisper "X is a crackhead"
(?)fuck it! I'ma just crack heads
I bang niggaz that cross the line
Ya'll niggaz talk shit from way behind
I stand my ground but ya'll niggaz dont
Shit I go to jail but ya'll niggaz wont
Ya'll niggaz walk around like you scared but,
I dont give a fuck, I DONT CARE!

Throw your dough in the sky
Twisted dope, lets get high
Hit the switch in the ride, front to back, side to side

Who gonna get drunk tonight
Who wanna come tonight?
Its going down inside
Who in da club tonight?
(x2)

Ya'll niggaz are pussy, straight up ass
I keep that thing, and I'll pass
Let yo man know, he dont wanna push me
Remember, its you not me thats pussy
Ya'll niggaz walk, light on yo toes

I come through hard, kickin down doors
I spit an M16 without a pause
Then let 16 go, just because
You in it for the dough, im in it for life
You in jail beatin your dick, im fuckin your wife
I'll bring the drama, I'll bring the noise
Kidnap your mama, bring em to the (?)
I make shit happen with one word
You take shit and laugh nigga, youz a perv
I take niggaz for everything they got
but thats why im the dog and you not!

Throw your dough in the sky
Twisted dope, lets get high
Hit the switch in the ride, front to back, side to side

Who gonna get drunk tonight
Who wanna come tonight?
Its going down inside
Who in da club tonight?
(x2)
