Grrrr ARF! ARF

Move on over, I done told ya boyyyy  
I'm a G-Unit motherfuckin soldier boyyyy  
And when you gon' get it in your brain  
The gate's wide open and the dog's off the chain  
I be that yung'n with that gun-ness, tellin ya stop frontin  
I be that yung'n on the run, after I pop some'n  
In the Bible I read, death is of the tongue  
And if you talk about death enough death is gon' come  
Dave taught me how to flow, they shot him in the head  
Randy ass was there, now he runnin scared  
Some say I'm gangsta, some say I'm craaazy  
If you ask me I'll say I'm what the hood made me  
Now I can stunt 'til my ass dead broke like Jay-Z  
Or put a hundred grand on e'ry nigga head that play  
me  
See I'm cool with them Hatian mob niggaz  
? Tu say sapa say mavule ? and rob niggaz  
The media be tryin to make a nigga look bad, whassup  
with that?  
See my flick, next to bring Papi and Cat  
And Montana, I kill 'em with the grammar  
I enhanced in the slammer after bangin them hammers  
X whattup? (AIGHT)

You don't live that, you shouldn't say that  
Cause what come out your mouth'll get you SHOT,  
DOWN  
Throwin your money around and we don't play that  
Get in our line'll get you SHOT, DOWN (nigga)  
We know where you hang, we know where you stay at  
That bullshit you on'll get you SHOT, DOWN  
Here's a few clips that you shouldn't play with  
G-Unit, Ruff Ryders'll get you SHOT, DOWN

Aiyyo, fuck y'all niggaz talkin bout, think you playin wit?  
Double R, G-UNIT, the same ol' shit (WHAT!)  
Put the faggots in the ring, watch 'em all quit  
All y'all niggaz is pussy, suck my dick  
Ain't nuttin but a handful of man still standin  
I remember 50 in a cypher when Onyx was "Slammin"

(AIGHT?)

Now we meet again, it's all good my nigga  
Back to the street again, it's all hood my nigga  
Knock on wood my nigga, we both walk the dog  
We ain't get to where we at by luck, shit was hard  
(AIGHT?)

But once we got through the trials it's all smiles  
'Til a big type nigga all of a sudden get wild  
Now why you gotsta go and take me back to where I  
came from?  
I'ma make you remember, where you know my name  
from (YEA!)

45Th Street, and BLAOW-BLAOW Ave  
I done ran through your crew and only let off half,  
nigga

You don't live that, you shouldn't say that  
Cause what come out your mouth'll get you SHOT,  
DOWN  
Throwin your money around and we don't play that  
Get in our line'll get you SHOT, DOWN (nigga)  
We know where you hang, we know where you stay at  
That bullshit you on'll get you SHOT, DOWN  
Here's a few clips that you shouldn't play with  
G-Unit, Ruff Ryders'll get you SHOT, DOWN

Yeah, word, yeah  
If your head ain't offa your shoulders (uh-huh)  
You ain't get shot, you got nicked nigga (just nicked)  
Cause if my chrome hit a piece of your bone  
It's gon' do more than chip, nigga (a lot more than that)  
Yea, what the fuck is the problem  
The Porsche is red the buckets is Army  
30 Shot handguns the gutter is starvin (yea)  
Niggaz like me might rush your apartment (word)  
Bloodstains'll fuck up your carpet, brain on the window  
I smell murder every time that the wind blow  
Tie him to the chair and then knock out his chinbone  
I don't want the throne or the crown, I ain't sellin up  
You can have the jail or the ground, you ain't in hell  
enough  
I'm the one that flood the gutters  
Better tap your man, and let him know P'll love to cut  
his  
And niggaz is gettin shot down, two guns up  
Double R, S.P. holdin D Block down

You don't live that, you shouldn't say that  
Cause what come out your mouth'll get you SHOT,  
DOWN  
Throwin your money around and we don't play that

Get in our line'll get you SHOT, DOWN (nigga)  
We know where you hang, we know where you stay at  
That bullshit you on'll get you SHOT, DOWN
