Dead Joe Joe, Joe Joe

Oh-ho-ho-ho-ho-ho-ho-ho-ho-ho dead Joe
Oh-ho-ho-ho-ho-ho-ho-ho-ho-ho dead Joe

Oh, welcome to the car smash
Oh, welcome to the car smash
Now, welcome to the car smash
A-a-a-a-smash, dead Joe

A junk sculpture turning back to junk
A junk sculpture turning back to junk
A junk sculpture turning back to junk
Ju-ju-ju-ju-junk, dead Joe

Oh Joe no, it's Christmas time Joe
It's christmans time now for you
And all the little bells are hanging two by two
The holly and the nativity
But I, speak to me Joe, speak to me Joe
Speak to me Joe, oh-oh-oh
Dead Joe

Oh-ho-ho-ho-ho-ho-ho-ho-ho-ho dead Joe
Oh-ho-ho-ho-ho-ho-ho-ho-ho-ho dead Joe

Oh, welcome to the car smash
Oh, welcome to the car smash
Oh, welcome to the car crash

You can't tell the girls from the boys anymore
You can't tell the girls from the boys anymore
You can't tell the girls from the boys anymore
You can't tell the girls from the boys anymore

Dead Joe
