It's a wild world, hey, it's a wild world, hey
It's a wild world, hey, hey

Hold me up baby, for I may fall
Hold my dish rag body tall
Our bodies melt together, ohh, we are one
Post crucifixion baby, post crucifixion and all undone

It's a wild world, it's a wild world,
La, la, la, la, la, la, la, la, it's a wild world
Hey, it's a wild world, it's a wild one to be sure

Church bells ring out the toll of our night
A forward and forever backward, forever backward,
forever forward, alright
Strophe and antistrophe, strophe and antistrophe, hey
Antistrophe, antistrophe, ohh, c'mon baby and kiss me
tonight
It's a wild world, a wild world
Up here in your arms tonight

It's a wild world, hey, it's a wild world, it's a wild world
It's a wild world and she's a wild girl, hey, hey, ooh,
ooh
It's a wild girl, ooh, ooh, ahh, it's a wild world, ooh, ooh,
ooh
And she's a wild girl, don't push me, ooh, don't push
me, ooh

Don't push me, ooh, in a wild world, ohh, ooh, ooh and
don't push
My wild girl, ooh, ooh, ooh, it's a wild world, hey, aha,
hey
Aha, hey, aha, hey, aha, hey, aha, hey, aha, hey
It's a wild world, ooh
