Dear Ophelia, I love you dear  
I'm sorry that I haven't been here  
Dear Ophelia, you know I'm hurt  
It's been two whole months since he was laid in the dirt

Dear Ophelia I'm sorry that I lied  
I really do mean to make you my bride  
When I get through this all, I'll treat you well  
I'm sorry I'm making your life a hell

Dear Ophelia, your father thinks I'm mad  
If truth be known, I think he'd be not glad  
If my dear Ophelia - we were to wed  
And I took you to our wedding bed

Dear Ophelia, I know that he is dead  
But what he told me last night lays on me like lead  
In the orchard he lay sleeping, that's why he didn't hear  
His brother crept up, and poured poison in his ear
