Hey popstar you look real silly  
I want to kill you now  
(Kill, kill, kill)  
Hey popstar you're such a fake  
You really look a joke  
(Joke, joke, joke)

Hey popstar I hate your guts  
You don't deserve to live  
(Die, die, die)  
Hey popstar get out my face  
I hate the sight of you  
(Hate, hate, hate)

One day you'll realize  
That you're not that great  
The people they hate you  
They think you're a fake

Hey popstar look at yourself  
You are a fuckin' state

(Fuck, fuck, fuck)  
Hey popstar look at yourself  
Oh, why can't you just wait  
(Wait, wait, wait)

I am me, you're not you  
I like me, you love you  
I am real, you're not true  
I hate you too

Hey popstar your time has come  
Now we know who you are  
(Who, who, who)  
Hey popstar give up the fight  
You're looking like a fool  
(Fool, fool, fool)

Hey popstar you're just pretend  
The kids won't be deceived  
(No, no, no)

Hey popstar you're killing me  
We just want the truth  
(Truth, truth, truth)
