[Intro]

[Chorus:]

Everywhere I go it's like
All eyes on me I'm the life tonight
It's like allIIIIIIIIII day we young and reckless
Can't no body take us downnn
Look at who's laughing nowwwww hahaha hahaha
We young and reckless

[Verse 1:]

I know I be a superstar even as a kid So I said fuck school mama mad that I did But then she changed her mind when I bought her that crib

Swore on my life one day I make it big
Stand behind my word hommie like my adlib
So when I say it's meant to be, it already is
Rappers all mad when I speak the truth
You think I'm talking to you nigga I'm on my blue tooth
Can't walk in my shoes each step a commute
A giant when I stride you little bugs is minute
And I ain't three meffs said get that cream
Different world now the doors flip'em like a dean
Fresh ass ride
I'm awake when I dream
I think I'm perfect with low self esteem
Life to short so I live like Yao Ming
And you should to free tell em what we mean

[Chorus:]

Everywhere I go it's like
All eyes on me I'm the life tonight
It's like allIIIIIIIIII day we young and reckless
Can't no body take us downnn
Look at who's laughing nowwwww hahah hahaha
We young and reckless
