[Ice Cube]

Oh Yeah,

It ain't over motherfuckers...

Niggas don't understand...

Every few years,

Niggas got to get their motherfucking caps peeled
back...

Nigga this is Westside nigga...dont think, nigga DONT
THINK!

Now, next motherfuckers...go by the name of Cypress
Hill

K all motherfucking day

[Ice Cube]

Every few years niggas think they can deal with the real

Now I gots to fuck Cypress Hill

I got a voice you should fear!

I drink a beer bust a rap and end your fucking career

You fuckin cowards

Never seen a hood high powered

Like the Westside Connect

Slide me my tech

I Got'em

Soon as I spot'em I'm dumpin

Gots to treat these bitch ass niggas like they stole
something

I see a joint in your clutch

You're smokin that shit too much

Got your bitch ass touched

Sen Dogg you can't rap from the guts

And B-Real sounding like he got baby nuts

I don't know why y'all think y'all slick

I don't know what rapper down wit your click

I don't know one bitch on your dick

And I don't know one nigga pumping your shit

I hear you claiming South Central wait...

You ain't from my hood!

Y'all hoes from South Gate

Coming with a voice high pitched

The "B" in B-Real must stand for Bitch

[Mack 10]

We'll its the Hip-Hop junkie startin static
Now I'm rolling up Cypress Hill
letting niggas have it
Got these wannabe thugs up
Load my slugs up
Hey yo back up Cube Dogg we passed that bitch Muggs
up
Pull over and let me out this show no sight
And let me show this White Boy
What that Westside Connect like
Boo Ya Boo Ya! from tha gauge as I spit them
Tha buck shots spray and made them lay as I hit'em
(Uhhh)
Ain't got the Swedish punks ass no mo'
1 down and 2 to go
Hand me a Fo' Fo'
Let me get my ride on
Get my homicide on
B-Real wish he could be me 'cause he know he can't
see me (Biiiiitch!)
You should have known you can't fade a real hog
Bringin Inglewood small
Cause I'm a real dogg
You bustas wanna see me but you bustas can't come
close
Because I'm ACE homies with Americas Most
Nigga miss me
I'm used to a hoe trying to kiss me
Now what gave your bitch ass enough heart to diss
me?
You'll come up missing
And Sen Dogg is so wacked he ain't even worth dissin
(hahaha)
You niggas need to listen
On everything I love my heat can't release a dub
Fuck rappin fuck strapping I'll create another bloody
glove
Its 1 - 0 and For sho' I'll kill
You pussies can't match my skill
Cause I'm the King Of The Hill!

[Ice Cube]

Everybody in the Ghetto, know what you're doing
1 white boy and 2 fucking Cubans
Claiming that you're Loco
But you ain't Mexican
Listen to "No Vaseline" Before you flex again
Fucking with tha hoggs
You say you bloods
But you ain't nothing but a Dogg fool

On tour only rapping to tha yuppies
We the Big Fish that'll make a dish out you fucking
guppies
So who y'all with?
Niggaz down with Cypress can wipe this shit off my
dick
Has I stick it like King Kong
And play Ping Pong
With this fake ass Cheech and Chong
Did you tell ya
Momma that I had to help ya
When Sen Dogg left your bitch ass in Australia
You say that I took your hook?
It must be the White Boy thinking all niggaz crooks
Now What? You hip-hop Hippies
How you fucking junkies
Think you Gonna Punk Me?
And chill
And Deal with tha fact that you ain't got enough skill
To kill
The King Of The Hill
