"Glad I Have You"

Visit "[Glad I Have You](#)" on MotoLyrics.com

Everytime I see your face
I wish I could freeze this place
And make it just me and you
Ooooooo

Evertime I'm with you
Wish I could kiss you
Because you are so drop-dead gorgeous

[chorus]
I love you, glad I have you
Ya know I'd do anything for you
I love you, glad I have you
I'll always be there for you
[chorus ends]

instrumental

Everytime I play with your hair
You say "I'll always be there"
And I know it's true
Ooooooo

Everytime we hang out after school
I think to myself "she's really cool"
And I just want to hold your hand

[chorus]

instrumental

[chorus]

I'll be there for you
Ooooooo
I'll be there for you
Ooooooo
I'll be there for you
