Do do do do do...

I am sitting in the morning  
At the diner on the corner  
I am waiting at the counter  
For the man to pour the coffee

And he fills it only halfway  
And before I even argue  
He is looking out the window  
At somebody coming in

Do do do do do...

It is always nice to see you  
Says the man behind the counter  
To the woman who has come in  
She is shaking her umbrella

And I look the other way  
As they are kissing their hellos  
And I'm pretending not to see them  
And instead I pour the milk

Do do do do do...

I open up the paper  
There's a story of an actor  
Who had died while he was drinking  
It was no one I had heard of

And I'm turning to the horoscope  
And looking for the funnies  
When I'm feeling someone watching me  
And so I raise my head

Do do do do do...

There's a woman on the outside  
Looking inside, does she see me  
No, she does not really see me  
Cause she sees her own reflection

And I'm trying not to notice  
That she's hitching up her skirt  
And while she's  
Straightening her stockings  
Her hair has gotten wet

Do do do do do...

Oh, this rain, it will continue  
Through the morning as I'm listening  
To the bells of the cathedral

I am thinking of your voice

Do do do do do...
