"Baby Go Bye Bye"

Visit "[Baby Go Bye Bye](#)" on MotoLyrics.com

I know wassup
You been peepin out me
And if you really wanna know what be goin down then
Come and keep me company
Don't try to hide
How you gonna deny
How you gonna tell me that you don't want none of this
When I see it in your eyes
(say what, say what)

What, what
You gon' do if i, i
Step away from you, you
Baby go bye-bye
Nothin you can do
(what'cha gon do?)
Nothin you can do
Baby go bye-bye

What, what
You gon' do if i, i
Step away from you, you
Baby go bye-bye
Nothin you can do
(what'cha gon do?)
Nothin you can do
Baby go bye-bye

I'll call your bluff
Baby I'll play your game
But if you really wanna play then don't take too long
Cause you're burnin out the flame
When I had enough
It'll never be the same
You could never come back to this
See you had your chance
Yourself you have to blame
(say what, say what)

What, what
You gon' do if i, i
Step away from you, you

Baby go bye-bye
Nothin you can do
(what'cha gon do?)
Nothin you can do
Baby go bye-bye

What, what
You gon' do if i, i
Step away from you, you
Baby go bye-bye
Nothin you can do
(what'cha gon do?)
Nothin you can do
Baby go bye-bye

Come on, nine nine
Dnh

If I step from you
Nothing you can do
What you try-na prove
Nothing you can do, do, do

[rap]
Yo even though you looking
Acting hard to get at
Girl I just wanna get down, sit down,
You know chit chat
In fact you running a game
Doing the get back
I got the flyer coasting the planes
Now is you with that
If you try-na hurt somebody
Ain't no harming me
Keep the girls draws dropping like harmony
Playing hard to get
I'll be quick to forget
When they quick to submit
I'm the number one hit
So, so let it off
Who said it, set it off
Get it? wet and soft
No pretending
I be the one they recommending
And in the ending, ending
The final inning, inning
I'm sending only love
Cause we know where you been
The one that winning

What, what

You gon' do if i, i
Step away from you, you
Baby go bye-bye
Nothin you can do
(what'cha gon do?)
Nothin you can do
Baby go bye-bye
