Jerome rap

Verse 1:

I know what you after and girl you ain't gon' get it from me

You're seeking the diamond rings the finer thangs
Does it gotta be material to count count now tell me baby

Is that what you want?

Some shit that you can flaunt

Flossin with the best shit on

Forget the fact that I've been there

If the cash ain't flowin then you don't care no, no.

If money's all you want from me

I'll give you what I want when I want

If you with it then it's on

If it's not then bye bye baby

Chorus:

If money's all you want from me, you best be on your way

Find yourself another g baby.

Comprende, no more of this say

No-oh, no-oh-oh

If money's all you want from me, you best be on your way

Find yourself another g baby.

You know I'm better than. better than your average

Joe, joe, joe, joe, joe joe.

Verse 2:

I ain't the one

Dont think that you could play me a fool

Sayin you love me when it's the money in

My pocket wallet checking account - count now tell me baby

That you really love

And cant get enough of

The reason why you haven't cut

Forget the fact that I've been there

If the cash ain't flowin then you don't care no, no.

If money's all you want from me
I'll give you what I want when I want
If you with it then it's on
If it's not then bye bye baby
