I remember the days
I remember the place
'cause I wish you were mine
just a moment in time
say my name in the night
and to you it feels right
'cause into your arms I fall

You decided to leave
just as long as I breathe
it's my very last try
don't you tell me "goodbye"
I remember the place
I remember the days
the best time of my life

I call
the spirit of yesterday
spirit of yesterday
I fall
into your arms again
into your arms one day
x2.

I'm recalling the days
I recall the right place
'cause I wish you were here
to be my atmosphere
paint my name in the sky
angel wings to get high
'cause into your arms I fall

you adjust me to ease
and for now I say please
it's my message to you
It's the last rendez-vous
I remember the place
I remember the days
the best time of my life

I call

the spirit of yesterday
spirit of yesterday
I fall
into your arms again
into your arms one day
x2.
