Time... I've been passing time watching trains go by

All of my life...

Lying on the sand, watching seabirds fly

Wishing there would be

Someone waiting home for me...

Something's telling me it might be you

It's telling me it might be you...

All of my life...

Looking back as lovers go walking past...

All of my life

Wondering how they met and what makes it last

If I found the place

Would I recognize the face?

Something's telling me it might be you

Yeah, it's telling me it might be you

So many quiet walks to take

So many dreams to wake

And we've so much love to make

I think we're gonna need some time

Maybe all we need is time...

And it's telling me it might be you

All of my life...

I've been saving love songs and lullabies

And there's so much more

No one's ever heard before...

Something's telling me it might be you

Yeah, it's telling me it must be you

And I'm feeling it'll just be you

All of my life...

It's you..

It's you...

I've been waiting for all of my life...

Maybe it's you...

Maybe it's you...

I've been waiting for all of my life...

Maybe it's you...

Maybe it's you...

I've been waiting for all of my life...

Repeat to fade
