- Now what the fuck was that bullshit over there? I told you not to shoot 'til you got a clean shot. You got Davis killed.
- Ah, fuck, that wasn't my fault, it was that motherfuckin' Mooser.
- It was both you dumb motherfuckers.
- OK, we fucked up, you fucked up too. Ain't none of your shit worked all day. The point is, what you gonna do now? What you gonna do now? What you gonna do now? What you gonna do now? What you gonna do now? What you gonna do now? What you gonna do now? What you gonna do now?

What you gonna do now? What you gonna do now?
What you gonna do now? What you gonna do now?
What you gonna do now? What you gonna do now?
What you gonna do now? What you gonna do now?

What you gonna do now?
