

Do **"I Still Believe In You"**

Everybody wants a little piece of my time
But still I put you at the end of the line
How it breaks my heart to cause you this pain
To see the tears you cry falling like rain

Give me the chance to prove
And I'll make it up to you

CHORUS:

I still believe in you
With a love that will always be
Standing so strong and true
Baby, I still believe in you and me

Somewhere along the way, I guess I just lost track
Only thinking of myself and never looking back
For all the times I've hurt you, I apologize
I'm sorry it took so long to finally realize

Just give me one chance to prove
That nothing's worth losing you

CHORUS 4x
