

## Do "On My Shoulders"

Visit "[On My Shoulders](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Why would I carry such a weight on my shoulders ?  
Why do I always help you carry your boulders ?  
You wonder why I carry such a weight on my shoulders  
And why would I tttts such a load

Cos someday you'll see  
Next time I'll try it another way

Why would you try to make me friends with them  
soldiers ?  
When you know that I've never been familiar with  
orders  
When you know that my heart is in a pretty disorder  
And you should know that in my heart you fill every  
corner

And someday you'll see that all I want is to please  
Next time I'll try it another way

How long will I sit and wait like a soldier ?  
How many summers will it take ?  
How many summers will I wait ?  
How many shoulders will I break ?

Why would I carry such a weight on my shoulders ?  
Why am I always by your side when you're down ?  
Why did I help you build a beautiful house ?  
And why did I break my back for you in the cold ?

Cos someday you'll see  
Next time I'll try it another way

Why would I have to quit if time makes me older ?  
Why do they wonder why I never get bored ?  
How could I tell them that I'll never let go  
But hey, you're my man but they just won't understand

And someday you'll see that all I want is to please  
Next time I'll try it another way

How long will I sit and wait like a soldier ?  
How many summers will it take ?

How many summers will I wait ?  
How many shoulders will I break ?

Why would I carry such a weight on my shoulders ?  
Why do I always help you carry your boulders ?  
You wonder why I carry such a weight on my shoulders  
And why would I tttts such a load

And someday you'll see that all I want is to please  
Next time I'll try it another way

How long will I sit and wait like a soldier ?  
How many summers will it take ?  
How many summers will I wait ?  
How many summers will I wait ?
