Asufaruto fukinukero kaze ukete  
Nanika miushinatte  
Itsu no hi ka waraenai mainichi ga  
Bokura nayamaseta  
Hitori de samui demo shou ga nai yo ne  
Kono aoi kaze ni nori ano kumo no mukou made  
Tonde ikou yo subete wasurete  
Sono tsubasa hirogete tori ni narun da yo  
Ima kara  
Kanashimi ya uso no nai dokka no machi made  
Tonde ikou yo chikara aru kagiri  
Mada mita koto no nai kagaiateru kimi no egao ni  
Ai ni ikou yo  
Doko mademo tsuzuite iru ano sora wa  
Hontou ni dekakute
