[Verse 1:]

I can feel it in the back of my mind  
it's like mary jane came at the right time  
While i'm feeling the rhyme, i take a look at the sky, it  
made me feel like a nigga wanna stay high,  
take a look in my eyes, you prolly think i was lyin, when  
you see a niggas eyes they no fool.  
now people quick a nigga so kool,  
I've been high all day, me "n" my nigas i'm close to.  
Up in a glass house globe  
and i'm lovin the, mary jane to brain and i'm loving  
your bitch.  
Don't know what i'd do if ya didn't exist.  
what better way to calm me down when i'm stressin the  
shit see it's a blessin for this, now where'd it end  
though, gettin high then i can't go. roll it up i wanna see  
it in the earl let the wind blow,  
all i wanna see is big smoke.

Just smoke and blow a blunt with me  
I like marijuana  
You like marijuana  
We like marijuana  
legalize marijuana  
Just smoke and blow a blunt with me  
I like marijuana  
You like marijuana  
We like marijuana  
legalize marijuana  
Just smoke

[Verse 2:]

Spark it up the mary J.  
everyday in my O zone gettin blown  
hold it down ta play cuz when i'm cheefin hay.  
notice how my eyes lay when i'm so thrown.  
kissin your lips and inhalin your soul  
ooh ee babygurl love the way that you breakin me off  
likin the warmth when you makin me cough  
and easin my thought keepin G's in cheez when you  
compin the couch.  
when we together we do nothin but floss.

but when departed lord knows it gets too hard to  
maintain.

the only bitch that i faithfully claim, steady massaging  
the brain and keep a playa on top of his game, callin  
me kool everytime that we hang, me and my flks  
always runnin the train, suckin your body 'til nothin  
remains

spendin the pleasure when i'm watching you flame,  
hopin nothing will change, steal the second chill back  
while i'm smokin the jane.

Just smoke and blow a blunt with me  
I like marijuana  
You like marijuana  
We like marijuana  
legalize marijuana  
Just smoke and blow a blunt with me  
I like marijuana  
You like marijuana  
We like marijuana  
legalize marijuana  
Just smoke

[Verse 3:]

See all i wanna do is smoke a sack for real nigga  
stormin up the block gettin hard,  
smokin on trees got me droppin to my knees so i gotta  
get a praise from the skies and the stars,  
if i wanna get high tonight, Mr.Biggie just roll me a  
blunt, we can both get blown. Comin out the crooks  
smokin big fat optimo's, the lies but them hoes can't  
stop us though, who the pro's of this motha fucker  
smokin big weed, comin up the block me and my nigga  
pookie,  
got no money but i'm still blowin trees,  
I dont give a damn what you think about me, Imma  
stone crook soldier never been a busta, blowin on trees  
them other busta's done told ya,  
hittin the scene with a pocket full of green  
You know what that mean ,  
we all gettin high!

Just smoke and blow a blunt with me  
I like marijuana  
You like marijuana  
We like marijuana  
legalize marijuana  
Just smoke and blow a blunt with me  
I like marijuana  
You like marijuana  
We like marijuana

legalize marijuana  
Just smoke
