"Church"

(feat. DJ Quik and Johnny P.)

[Johnny P: through-out talking]

Pimp on, pimp on
Pimp on, pimp on
Pimp on, pimp on
Pimp on, pimp on

[Intro:]

Yeaahh, we here to bring you the most requested song
From the P-Funk era
This is DJ Quik, Do or Die, and J-P
Now, what we gonna do right here
Is let'cha just wave ya hands like this shit
On the radio station, this most requested
Do or Die, DJ Quik, and Johnny P, Chuch!

[Verse 1: AK]

Fresh up out the motherfuckin' cut, who dat?
Droppin' and poppin' that gangsta shit with my nigga,
true dat!
Sippin' and tippin' off the Grey Goose and the gallon of
Gin
While I'm smokin' somethin, faded, with' my blueberry
Benz
Flick the weed with' my middle finger, off in the wind
Cause I'm off in the wind, got another party startin' at
ten
Now do these ho's wanna fuck? That's what I'm really
askin'
Skip to my nigga with' my semi-semi blastin'

[DJ Quik: talking]

Hold up AK, I done seen ya boy Kel on the cover of that
XXL magazine
Ya hear me, and it look like him and Snoop Dogg been
havin'-
Dress code dress rehearsals, and talkin' bout that tie
with them pin-stripes
Maan!

[Verse 1: continued]

Blastin' the semi in a orderly fashion
Orderly stash, so the people try to come and harrass
And now it's one to the motherfuckin' two, to the three
See me floatin' through the streets, Chi-Town or Long
Beach

[Hook]

[JP:] You ain't never heard no pimps like this

[AK:]

If it's gangsta, then it's gangsta, if I'm a
Pimp, then I'm a pimp, then I'm a piiiimp!

[JP:] You ain't never seen no pimps like this

[AK:]

You can see it in my lips, if I'm a pimp, then I'm a pimp
Then I'm a piiiimp!

[JP:] Never seen twenty's spin like this

[AK:]

If it's gangsta, then it's gangsta, if I'm a pimp, then I'm
A pimp, then I'm a piiiimp!

[JP:] Do you know we be the first true pimps?

[AK:]

You can see it in my lips, if I'm a pimp, then I'm a pimp,
then
I'm a piiiimp!

[Verse 2: Belo]

I've been noticin' that niggas been quotin'

Quotin' me bogusly

Bogusly try to bump me off so no-one even notice me

Vocally, I've been pimpin and sayin shit so importantly

Rappers around the world should think of a plaque or

throw to me

Cadillac, I'm the bolder-ly, binnin' and grinnin' slow-ely

Nine, packin' fo' sho-ely, ho, check out my poetry!

My izzle's so dizzle, rizzle, for shizzle my nizzle

Pizzle, tha lizzle, if you feel me say Chuuuch!

Now I'm about to get this bad bitch, and dinner her up

Take her ass straight to the tele, and uhh, dent her

rump

I'm a knock that stuffin' and muffin' up off that pussy

Put that ass straight to sleep, and don't deny it cause

my pimpin' is deep

I know some playa's that be claimin' the streets

Like a nigga playin' hard when his posse is deep

Go on head, walk it off with the flock of the sheep

Cause I'm a motherfuckin', P-I, M-P, Chuch!

[Hook]

[Verse 3: N.A.R.D.]

My Cadillac spinnin', and wheels gotten' 'em grinnin'
And stepped out in my gators, with' collar'ed shirt and
some Timberlands
Aww they go hurr again, from back on the block
I used to dip up in that crib to get away from the cop
Ya see my mama always said to stay away when it's hot
Cause now here's gone, the day when they wantin' your
spot
You ready or not? The less ordered, the better the rock
I need more fuck for Quik to get my Chevy to ride
So to my people's in the Chi, now won't you bounce to
this?
Put ya hands up to the sky and smoke a ounce to this!
Throw 'yo hands high, light about a pound of dro
Cause from this swig of Cognac you can catch a blow
We sippin' the Remy and Henny and a bottle of Mo'
Gatherin' all the freaks up, and we gon' head for the
door
Because it ain't no tellin' what we gon' do
Because we might do whatever pimps want to

[Hook]

[Johnny P: to fade]

Do you know we be the first true pimps?

Do you know we be the first true pimps?
