I wish I could fly away from here
Unto a place for you and me
Relax ya mind
(Relax ya mind)
And I'll fulfill your fantasy

Well, I wanna be ya fantasy
But I got to keep it real, I'm a pimp, I can't show love
'Cuz I got too many chicks on the side
And I love to smoke and ride
So you recognize a true thug, fill the game
I go out like two slugs
Ya think ya ass is da bomb you too bugged
Anyway I can take you on a little cruise and

We can do the things ya really, really wanna do
'Cuz I'm a man, I believe in friends
I can give a little if you let me in
We can hit the city in a Roma Benz
We can fly to coon with the Mexicans
But ya gotta plan when the sex begins
And I don't really mind if ya Lesbian

We can be a trio if you bring ya friend
Call her then, we could bend, straight to the
Crib and pop the Cris pour Loui'Wee you do me
Most be little over to me
But I can't help it just to be me original po p i m p
Dobb hats city sharp
Do you really want to be my fantasy, my fantasy

I wish I could fly away from here
Unto a place for you and me
Relax ya mind
(Relax ya mind)
And I'll fulfill your fantasy

I wish I could fly away from here
Unto a place for you and me
Relax ya mind
(Relax ya mind)
And I'll fulfill your fantasy

That's yo friend and she goin' say
He's a pimp, don't get caught up
In many conversation my name was brought up
You need to check your homie but not tonight
You involved in something that's oh, so right
Lay some pipe, sip on some remy and stay the night
Close the vertical blinds searching for line
Medical physical burden of mine, unbutton her blouse
How can I obtain this inner ambitious lust

Roll back yo Gucci dress, receive the touch, sexual
thoughts
That leading us, is it me or you who tried to resist
Got you convinced lost in the mist
Grabbing the sheets and balling her fists
Close your eyes go deeper than this
Ex-hale and caress, the way it was meant
I guess it's another way that we vent
But please don't hickey lick me, wishful whisper
What you need I'm going to get the entire picture
I wish you wish

I wish I could fly away from here
Unto a place for you and me
Relax ya mind
(Relax ya mind)
And I'll fulfill your fantasy

I wish I could fly away from here
Unto a place for you and me
Relax ya mind
(Relax ya mind)
And I'll fulfill your fantasy

I put the latch to the front door
In the scene that's down town mo, mo
One chick had the look of an nympho
And my conversation just to a essential
Make a ma take a puff like indo
Layed back in the drop while the wind blow
Little momma drink bel or hen, oh
Pretty eyes, thick thighs at the side door

She beneficial to a man like me, oh
Walked in wit' a passion kiss on her neck while we
laughing
She be giving up her ass hun, acts dumb
So you want fly wit' me, Belo, wana take a trip wit' me,
Belo
I can make you happy and this I know

Fly to Italy, Chris to the floor

Do you wanna, man, that can sound like me
All day niggaz that be out like me
