What-a-you do, what-a-you do, what-a-you do without
thinking

What-a-you do, what-a-you do, what-a-you do without
thinking

Heads were rolling, and for this news

Stacking up against the wall

Of a balming after? some explorer

And modelised? in the entrance hall

Beer and sweat, the cocktail, deals are made

With after twelve days,? cracked the carpet?

When the dove flies to make it

Behind and stables on the platform

The stage is set

Mister Randolph rubs his hands together

He can't wait to get them wet

Girls with dripping t-shirts are being herded through
the door

The boys all stare and whistle at something they could
go for

What's it got to do with you?

What's it got to do with you?

What's it got to do with you?

What's it got to do with you?

What's it got to do with you?

What's it got to do with you?

What's it got to do with you?

What's it got to do with you?

What-a-you do, what-a-you do, what-a-you do without
thinking

What-a-you do, what-a-you do, what-a-you do without
thinking

Winner takes a frozen chicken and wobbles of to
celebrate

The boys all assume position

Phone their wives, I'll be in late

You sink or swim, what-a-you do without thinking

You sink or swim, what-a-you do without thinking

Thinking
