Here I go  
Tumbling around to regret  
Just trying to forget  
Don't you know

Days they fall into my mind  
I guess I'll be shy  
I'm only trying to remember  
Whatever we choose to forget  
I am longing for your touch

Please don't go

Here I go  
Tumbling around to regret  
Just trying to forget  
Don't you know

Tore the feelings apart  
Right there from the start  
I'm only trying to remember  
Whatever we choose to forget  
There's a need inside me
