it's two in the morning

my beeper's going off  
i'm naked, i roll over  
enough is enough  
these bitches always calling me  
morning, noon, and night  
Gladys and Rhonda  
Darlene, she is tight, right?

what can i say?  
they can't stay away  
from the best cock on the block today  
it's eternally hard

i've got five different sizes, shapes and colors  
come over and try me, i am like no other  
you like 'em big?  
i got a GMC brand  
you like 'em little?  
i got a mini pickle  
i aim to satisfy i aim to please  
just give me some booty that i can squeeze

what can i say?  
they can't stay away  
from the best cock on the block today  
it's eternally hard

aw, shit! it's Darlene.  
i know it by the code  
i was supposed to be there an hour ago  
she said, "baby, bring the big one"  
but i left it with Brooke  
my dick, it's like chick bait  
one bite and they're hooked  
so i'm headed to darlene's and i get distracted  
got my eye right on her block  
and i get distracted  
slid down to the girl on the bench sippin' water  
she leaned in, licked her lips like i was on her  
she said "ooh, you're one of dem girly men

well, i need more man in my men  
we could meet next week,  
we could be great friends...."

no, no... see- i'm a lady lover  
i'm a lady leaver  
just one taste and you'll be a believer  
so girl- take that  
my dick's so big, i don't even have to pack it

see i'm just a little girl boy,  
trying to make my way in a man's world  
i'm just a little girl boy,  
trying to make my way in a man's world

so... i gotta go.  
got my 40 and my lucky extra firm dildo  
from the D- to the I- to the L- to the DO

what can i say?  
they can't stay away from the best cock  
on the block todaaaaay
