feelings,
nothing more than feelings,
trying to forget my feelings of love,
tear drops rolling down on my face
trying to forget my feelings of love,

*feelings, for my life, i have feelings
i wish i've never met you girl
you'll never come again

feelings oh oh feelings oh oh oh feelings
again in my arms,

feelings, feelings like i never lost you
feelings like i never have you again in my heart

*chorus

feelings nothing more than feelings
trying to forget my feelings of love

feelings ohoh feelings
feelings ohohoh feelings again in my heart
