Take your shoes off, let your hair down  
Time for you to get away  
Don't you worry bout tomorrow  
Are you gonna miss today?

Sometimes the madness gets you crazy yeah  
Sends you lookin for a place to hide  
Start you thinkin that you never  
Get yourself some piece of mind  
But you can do it  
You can do it  
You can do it to your hearts delight  
If you can do it with your imagination  
Then you can do it and realize

Feel the magic of the moment  
Let your spirit carry you away  
Get in touch with all you're feelins  
Find out what they have to say

Sometimes the madness gets you crazy  
That you're lookin for a place to hide  
Starts you thinkin  
That you'll never  
Gonna get yourself some peace of mind

But you can do it, oh, you can do it  
You can do it to your hearts delight  
If you can do it with your imagination  
Then you can do it and realize

Feel as free as an eagle  
Flyin the whole world high in the sky  
You'll touch the fires of love inside you  
You'll be lookin to find

You can do it  
You can do it  
You can do it to your hearts delight  
If you can do it  
With your imagination  
Then you can do it, can do it

Well - I need her

Girl, do it - you can do it babe  
Cmon do it - you can do it now  
Aw do it - got to feel it  
Yeah  
You gotta believe it  
Whoa-o-ah believe it - your imagination  
Do it do it  
You gotta do it, do it  
You can do it - gotta do it  
Take it eas-ay  
You gotta believe - ya gotta do it  
If ya want it  
You can have it - got ta do it  
You can do it an realize  
Do it, you can do it  
You can to your hearts delight

If you can do it with your imagination  
Then you can do it and realize  
Yeah, do it  
Cmon do it
