I'm gonna change your mind  
I'm gonna make you love me  
I'm gonna keep on trying  
'Til I can make you love me

There's never been anything I've wanted to bad  
You gotta know I'm never gonna stop 'til I have you  
Baby, it might sound crazy  
But I'm gonna make you love me

There's a red rose  
Lying on your front porch  
And I left it last night  
By the light of the moon  
'Cause I just can't sleep  
When I'm thinking 'bout my arms around you  
I just gotta have you

So I'm gonna change your mind  
I'm gonna make you love me  
I'm gonna keep on trying  
'Til I can make you love me

There's never been anything I've wanted to bad

You gotta know I'm never gonna stop 'til I have you  
Baby, it might sound crazy  
But I'm gonna make you love me

I slipped a love note  
Under your front door  
And I wrote it all straight down  
Straight from my heart  
Like a song in my head  
That I can't stop  
Singing about you  
I just gotta have you

So I'm gonna change your mind  
I'm gonna make you love me  
I'm gonna keep on trying  
'Til I can make you love me

There's never been anything I've wanted to bad  
You gotta know I'm never gonna stop 'til I have you  
Baby, it might sound crazy  
But I'm gonna make you love me

I'm gonna change your mind  
I'm gonna make you love me
