She don't call me 'baby' no more
No more kisses at the door
She's got such a beautiful smile
But I haven't seen it in a while

I guess this is how it feels
When you're steppin' on the heels
Of a heartache

We'd go hear Charlie B. sing
Every friday night, it was our thing
Charlie asks me why i'm alone
Well I say lately, she just wants to stay home

She says there ain't nothin' wrong
But I know her better than anyone
And she can't disguise
The love that's missin' in her eyes
I guess this is how it feels
When you're steppin' on the heels
Of a heartache

Well this is more than a bump in the road
But I'm not ready to let go
I try again and again
But she just won't let me in

She says there ain't nothin' wrong
But I know her better than anyone
And she can't disguise
The love that's missin' in her eyes
I guess this is how it feels
When you're steppin' on the heels
Of a heartache

I guess this is how it feels
When you're steppin' on the heels
Yeah this is how it feels
When you're steppin' on the heels
Steppin' on the heels of a heartache

She don't call me 'baby' no more

She don't call me 'baby' no more
She don't call me 'baby' no more
