I spent all my time chasing the good life  
I lived so fast I ran my headlights on that road  
But I'm alright  
Cause I'm still here and I'm still smiling  
With all my friends right here beside me  
I'm not alone, Yeah I'm alright  
This is my life and I'm alright

Chorus

Well I was running around  
living it up stead of living it down  
I did it all  
I did it right and I'd do it again, Yeah

I'm not sad and I'm not sorry  
cause I'm the one who wrote the story of my life  
and I'm alright

Well I was running around  
living it up stead of living it down  
I did it all, I did it right and I'd do it again, Yeah  
Well I was running around  
living it up stead of living it down  
I did it all, I did it right and I'd do it again, Yeah

This is my life and I'm alright  
This is my life and I'm alright  
I'm alright, I'm alright,  
You know that I'm alright. I'm alright.
