The Clouds Gwine Roll Away Doc Watson

A lightning bug just never knows just what heâ€™s  
about to find

But he keeps on flyinâ€™ around and around with his  
little light on behind

CHO.

Oh the clouds gwine roll away the clouds gwine roll  
away

I donâ€™t care how hard it rains the clouds gwine roll  
away

A little bird in a gilded cage and he might have been  
whistlinâ€™ yet

But he went out one rainy night and got his whistler wet  
CHO.

Oh a jay bird spied a little worm just a wigglinâ€™ to  
and fro

But on that spot where the worm once dwelt there  
ainâ€™t no worm no moâ€™

CHO.

My gal said â€œyouâ€™re my little horseâ€ but I says  
â€œno youâ€™re wrongâ€

I just couldnâ€™t be no little horse causeâ€™ my hair  
is growâ€™d too long

CHO.

The hen she first came from the egg. Then the egg  
came from the hen.

But I been wonderinâ€™ all this time just where itâ€™s  
goinâ€™ to end.

CHO.
