I'm going to the racetrack to see my pony run
If he won some money gonna take my good gals on
Yeah, you don't know, you don't know my mind
When you see me laughing I'm laughing just to keep
from crying

(break)

I left my frump standing in the door
Lookin' after me a-crying say "You won't come back no
more, sweet daddy"
You don't know, you don't know my mind
When you see me laughing I'm laughing just to keep
from crying

(break)

When I asked my mama "Can you stand to say
goodbye"
She said "Yes, sweet papa, if you can stand to see me
cry, Lord"
You don't know, ooh my mind, hmmhmm
Oh, when you see me laughing, honey, laughing just to
keep from crying

(break)

I got a handfull o' nickles, got a handfull o' dimes
Got a housefull o' youngens and no one mindes
Lord, you don't know, you don't know my mind
And when you see me laughing I'm laughing just to
keep from crying
