Hypocrisy got the better of me
Along the way I went astray
I'm seeking redemption and it's my intention
To change my ways (oh woah woah)

A wise man say
You surround yourself
With Only most extraordinary
People around but be weary
Of Evil abound (oh woah woa)

I can change
I know I
I think I
I know I can change

I know
I know I
I know I
I know I
I can change
I WILL change

It's so easy when you have plenty
To lose yourself in what may be
keep your feet on the ground
And know who's around
But be weary of evil abound

Humility is like gravity
but it's no surprise when one defies
Keep your feet on the ground
and know who's around
and be weary of Hypocrisy

We can change
I know I
I know we
I KNOW I can change
I know
I know I
I think we

I know we
We can
We will

Hypocrisy got the better of me
Along the way I went astray
I'm seeking redemption and it's my intention
To change my ways (oh woah woa)
