I been so down
I been sold out
And it don't feel right
Being me anymore

I once was a boy who believed what he saw
But now I'm grown, I've figured it out
I never never never took a chance
Why can't we stay around for another dance?
Why can't we stay?
I'll stick around for you, try for you, cherish you
Why can't we stay around for another dance?

If there's a way to never change
If there's a place that we can stay
And be happy being me with this good old friend of
mine

I once was a boy who believed what he saw
But now I'm grown, I've figured it out
I never never never took a chance
Why can't we stay around for another dance?

Why can't we stay?
I'll stick around for you, try for you, cherish you
Why can't we stay

Living in harmony
Die in this harmony
Never lose this part of me

Living in harmony
Die in this harmony
Never lose this part of me

Living in harmony
Die in this harmony
Never lose this part of me

Living in harmony
Die in this harmony
Never never never lose this part of me
