(Whoa Whoa Whoa whoa Whoa Whoa Whoa whoa)  
Fill your life with beauty  
And that's alright by me  
Fill your life with plenty  
Of loving company  
(Whoa Whoa Whoa whoa Whoa Whoa Whoa whoa)

When the river runs  
And when the river dries  
When the river flows  
We'll have our fun  
And when the river dries  
We'll damn (dam) everyone (every one)

And when you call out my name  
I will know who to thank

When the river dries We take to the Sky  
And when we cross the Sky  
We find the Love we seek  
And when we cross the sea  
We'll be in the journey  
And when we cross the whole World...

When the River runs  
And When the river dries  
And When the river flows we'll have our fun  
And when the river dries we'll damn everyone

And when I fall to my knees  
I pray to the god that I see

When the Oceans rise we take to the sky  
To me you are the sea  
Gone are my reserves  
For you I have no words  
After all the river speaks  
Wet or dry the river knows

When the river runs  
And when the river dries  
When the river flows we'll have our fun

And when the river dries we'll damn everyone.
