[My shirt is chinese  
This pant is portyughese  
I have a german cap  
Indian soul is in me  
Do you want to kiss me  
OK OK do that  
Do you want to love me  
OK OK do that  
Do you want to say me hi  
OK OK say that  
Do you want to hurt me  
No no no no be Gandhian  
I am on a blind journey with all fuel and will  
No target no destination Facing heat and chill  
Heading all the way up with an eye on what to be  
I have a german cap Indian soul is in me  
Do you want to kiss me  
OK OK do that  
Do you want to love me  
OK OK do that  
Do you want to say me hi  
OK OK say that  
Do you want to hurt me  
No no no no be Gandhian  
Wearing tie aims high looking at the sky  
Leaving all the worries behind letting the mind fly  
Saluting every one on the way whether he or she  
I have a german cap Indian soul is in me  
Do you want to kiss me  
OK OK do that  
Do you want to love me  
OK OK do that  
Do you want to say me hi  
OK OK say that  
Do you want to hurt me  
No no no no be Gandhian  
Up down up down thats the way life goes  
Timid is man before the worse who bows  
None the trouble to bother shooting away with the knee  
I have a german cap Indian soul is in me  
Do you want to kiss me  
OK OK do that

Do you want to love me  
OK OK do that  
Do you want to say me hi  
OK OK say that  
Do you want to hurt me  
No no no no be Gandhian
